

# Good stuff for internationals

Join our English Introduction to the Library in Herning  
every last Thursday of each month\*

\*except for December and July

## **Do you want to know all about the good stuff the library can offer you?**

The library has books (both fiction and non-fiction) in languages other than Danish. Most likely our collection includes books in YOUR language as well! You're always welcome to ask a librarian about ordering materials that you are not able to find on the library shelves - and it's free of charge!

The library offers a special service to its users: free access to a variety of newspapers and magazines from around the world through PressReader and Zinio, where you can read the full text of your favorite papers and magazines - free of charge!

And a lot more!

## Come and learn more
